

Magnet Program Information

Parent/Guardian:

The magnet program will end at the end of the 2017-2018 school year. This decision is based on the fact that the same core curriculum is provided in all of our elementary schools, and students are encouraged to attend the school in their attendance area. Students already under magnet status will be allowed to finish in their respective elementary schools.

However, at the end of elementary school, students will be required to go to the middle and high school in their attendance area. Southwood will remain a magnet school with students auditioning for acceptance.

If you have any questions or concerns, please contact Student Services.
