

## **Voluntary Insurance**

Parents/guardians may purchase voluntary insurance for their children. Parents may elect school coverage or 24 hour coverage. This insurance coverage is purchased directly from the vendor and the school is not involved in these transactions. The prices and coverage are included in the following brochure.

Insurance for Anderson School District Five only covers accidents if the district is considered to be negligent. If any accident occurs, and there is no negligence on the school's or district's part, parents/guardians are responsible for covering all costs of the accident unless they have purchased this insurance

**AT SCHOOL COVERAGE:** Insurance coverage is provided during the hours and days when school is in session, while attending or participating in school sponsored and supervised activities on or off school premises (i.e. day field trips) and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). Coverage is provided while traveling to, during or after such activities as a member of a group in transportation furnished or arranged by the Policyholder and traveling directly to or from the Insured's home premises and school premises when school is in session. If the Policyholder provides mandatory coverage for students under an At School, Interscholastic Athletic/Activity or Football program, benefits will be payable under those programs before being considered under an At School Voluntary program.

**24-HOUR COVERAGE:** Provides coverage for injuries incurred 24-Hours a day, 365 days a year, at home, at school and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). If the Policyholder provides mandatory coverage for students under an Interscholastic Athletic/Activity, Football or At School program, benefits will be payable under those programs before being considered under a 24-Hour Voluntary program.

**FOOTBALL ONLY:** Insurance coverage is provided for High School Football athletes during athletic tryouts, preseason play, practice, state interscholastic governing body approved conditioning, regular and post season play and for travel to, during or after covered athletic activities as a member of a group in transportation furnished and arranged by the school. **EXTENDED DENTAL COVERAGE:** This is supplemental coverage for expenses resulting from covered accidental dental injuries. The dental benefits provided are: (a) 100% of Allowable Expense for examinations, X-Rays, endodontics and oral surgery to a maximum of \$10,000; or (b) dental expenses toward the cost of bridges, dentures or replacement of previous dental repairs to a maximum of \$250. No coverage is provided for orthodontics (braces) for any reason or damage or loss thereof. Extended Dental Coverage must be purchased in conjunction with a 24-Hour, At School or Football program; it cannot be purchased as stand alone coverage.

**COVERAGE PERIOD** – Coverage under the At School, 24-Hour and Football programs begins on the date of premium receipt but not before the start of the school year activities. At School Coverage ends at the close of the regular nine-month school term. 24-Hour Coverage ends when school reopens for the following fall term. ## DEFINITIONS

*Allowable Expense* means a Medical Expense otherwise payable under the policy that is not in excess of the 80<sup>th</sup> percentile identified on Context4HealthCare (the "Database"). When there is, in Our determination, minimal data available from the Database for a Medical Expense, We will determine the amount to pay by calculating the unit cost for the applicable service category using the Database and multiplying that by the relative value of the Medical Expense based upon a commercially available relative value scale selected by Us. In the event of an unusually complex medical procedure, a Medical Expense for a new procedure or a Medical Expense that otherwise does not have a relative value that is in Our determination applicable, We will assign a relative value. The Medical Expenses We pay may not reflect the actual charges of a provider and does not take into account the provider's training, experience or category of licensure. A provider may charge the Insured the difference between what the provider charges and the amount We pay under the policy. The Database will be updated by us as information becomes available from the supplier, up to twice each year. We may modify the Database in Our discretion to reflect Our experience. We have the right, in Our discretion, to substitute or replace the Database with another database or databases of comparable purpose, with or without notice.

*Injury* means bodily harm which: (1) requires treatment by a Physician; (2) results in loss due to an Accident, independent of Sickness and all other causes; and (3) occurs within the Scope of Coverage.

*Hospital* means an institution which: (1) is operated pursuant to law; (2) is primarily and continuously engaged in providing medical care and treatment to sick and injured persons on an inpatient basis; (3) is under the supervision of a staff of Physicians; (4) provides 24-hour nursing service by or under the supervision of a graduate registered nurse (R.N.); and (5) has medical, diagnostic and treatment facilities, with major surgical facilities on its premises or available to it on a prearranged basis. Hospital does not include: (1) a clinic or facility for: (a) convalescent, custodial, educational or nursing care; (b) the aged, drug addicts or alcoholics; (c) rehabilitation; or (2) a military or veterans hospital or a hospital contracted for or operated by a national government or its agency unless: (a) the services are rendered on an emergency basis; and (b) the individual has a legal liability to pay for the services given in the absence of insurance.
