

What's Happening in Second Grade?

Week of Sept. 9–13

What We're Learning

Reading

- We are learning how to think about what we are reading and build our reading stamina.

Writing

- We are learning the expectations of writer's workshop and building our writing stamina.

Math

- We are learning how to use math tools and expectations for math workshop.

Science

- We are learning about weather and the four seasons.

Social Studies

- We are learning about our community.

Word Wall Words

- **Word Wall Words:** *feel, deep, sleep, seen, been*
- **Review Words:** *grade, grow, hurt, dream, rain*
- Spelling Test Friday (Sept. 13)
