

Third Grade Times

Week of September 9-13

Math

This week in math our students will begin practicing all the parts of math, from centers to guided math groups and independent work. We will be learning about the relationships between repeated addition and arrays using sidewalk chalk and chees-its!

Important Dates

- Tuesday, September 24:
Progress Reports go home
- Thursday, September,26: Kona Ice Day, Fall Open House 6-8

Reading

We will be learning about reading centers and what the expectations for students are. We will also learn how our own experiences help us as readers.!

Science/Social Studies

In science and social studies this week we will be learning about the regions of SC. (Blue Ridge, Piedmont, Sandhills, Inner Coastal Plain, Outer Coastal Plain, and Coastal Zone. We will also continue learning about the 3 states of matter.

writing

The students will begin working on personal narratives “a story about your life” and will use strong emotions, their writer’s heart, and pictures from their life to tell these stories.
