

Dear Parents/Guardians,

Chromebooks will be sent home with your student this summer. The Chromebook Depot will be open at the District Office in case you have any issues with the Chromebook. For help troubleshooting common issues, the Support line will also be available at 864-222-4911. Both of these resources will be available during the hours of 8:30am - 4pm each day to support you and your student.

Click the image below to access Summer Instructional Resources for hours of summer fun! You can also access the information by typing this URL <http://bit.ly/a5summer> into your web browser.

What tech tools are available for my child during the summer months?

All Students	Elementary	Middle	High
  	  	   	   

How does my child access these programs?

Students will be able to access these programs through their Classlink. See directions below on how you can access Classlink.

**How to Access Classlink:**

- Type this Website in Browser: : <https://launchpad.classlink.com/anderson>
- Students will need to sign in.
  - Username: Student First and Last Name (All Lowercase letters with no spaces)
  - Password: District Issued Password -
    - Please contact your child's teacher if you need this information.
  - Select the Blue Sign in Button 

If you need further assistance, please email [annabaldwin@anderson5.net](mailto:annabaldwin@anderson5.net).
