

What's Happening in Second Grade?

Week of February 22-26

What We're Learning

Reading

- We are learning to **retell** the sequence of major events using key details.
- We are learning to determine the **theme** in a text heard or read.
- We are learning to describe the influence of **cultural context** on characters, setting, and plot development.

Writing

- We are learning to explore print and multimedia sources to write **informational pieces** that explain **cause and effect relationships**.

Math

- We are learning different strategies to use when **subtracting** two digit numbers.

Science

- We are learning to analyze and interpret data from observations and measurements to describe the properties used to classify matter as a **solid or a liquid**.

Word Wall Words

- Spelling Test Friday 2/26
- New words: show, too, place, best, seen
- Review words: two, many, home, teacher, easy

Important Dates and Reminders

- Please remember to wear appropriate shoes for PE!
 - Gentry: Monday
 - Truhn: Tuesday
 - Bryant: Thursday

- February 25: Ice Cream Day

Please ensure that your student is wearing a mask to school each day.

A great way to practice subtraction is with money! Give your student a few coins and have them identify the value of the collection. Then take away a coin and find the difference.

Reading at home can make a huge difference. Spend valuable family time reading a story and talking about the text!
