

What's Happening in Second Grade?

Week of June 7 - 11

What We're Learning

Reading

- We are learning to compare and contrast topics, ideas, or concepts across texts in a thematic, author, or genre study heard, read, or viewed.

Writing

- We are learning to plan, revise, and edit, focusing on a topic while building on personal ideas and the ideas of others to strengthen writing.

Math

- We are learning to identify triangles, quadrilaterals, hexagons, and cubes.
- We are learning to recognize and draw shapes having specified attributes, such a given number of angles or a given number of equal faces.

Social Studies

- We are learning to summarize the role of community workers who provide goods and services.
- We are learning to explain the effects of supply and demand on the price of goods and services.
