## Set Up & Access Family Dashboards

### Dreambox: K-5th grade

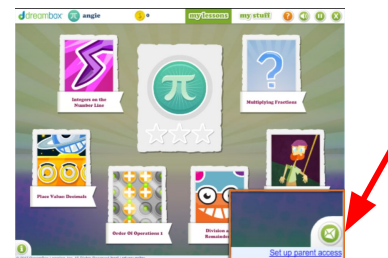

Log onto the Chromebook and open ClassLink. If you are on a home device, go to [www.launchpad.classlink.com/anderson](http://www.launchpad.classlink.com/anderson). Log on using your child's A5 credentials.

Open Dreambox

When the Dreambox dashboard opens, click Set up parent access in the bottom right hand corner of the screen.

Accessing the Family Dashboard:

Once the account has been set up, you will be able to access your family dashboard by going to <https://play.dreambox.com/play/login>.

Visit the [Dreambox support](#) page to learn more about the family dashboard.

### eSpark: K-5th grade

[Parent Guide](#)

Sign up for a free parent account [here](#).

Link your child's account by using their A5 credentials.

### Reflex Math: 2nd-5th grade

To set up an account, you will need your child's Reflex sign in information (their teacher's Reflex **Username**, the name of the Reflex **Class**, and your child's Reflex **Password**). Your child should have this information if they're logging on to Reflex regularly.

1. Go to [reflexmath.com/parent](http://reflexmath.com/parent)
2. Follow The onscreen instructions to create your free account by entering your email address
3. Click on the activation link in the email sent you to and enter the required information to create your account. Once you are done, click Continue.
4. Follow the onscreen instructions to add your child

\*If you do not receive the activation email, please check your junk or spam folder

Once registered, launch the parent account at [www.reflexmath.com/reports](http://www.reflexmath.com/reports) to log into your new account. Enter your Username (your email address) and Password and click Submit.
