P.E. News

For the month of June, all grades will be working on relays for Field Day! Please continue to wear tennis shoes on your PE day so you can participate in the activities.

Music

*The focus for June:
Wrapping up the year with Music
games and dance.
Hang on- Summer is almost here!*

Media Center News

Please don't forget to return your books. Late notices will be sent home each week. These include the titles and prices of all books. Please return the books or send in that amount to clear our your child's account.

We will do a few book walks to enjoy reading and nature. We will also celebrate the works of Eric Carle.

Art

In June we will be creating end of the year activities with summer themes like drawings of flip-flops, sunglasses and refreshing glasses of lemonade. We will be studying the modern abstract artist Piet Mondrian who used simple combinations of right angles and primary colors to create artwork that is geometric and bold.

Don't forget our Art Class Rules:

1. Be Respectful
2. Be Responsible
3. Be Ready to Learn
