September 2019

School Counseling

In the month of September we will begin our Second Step Curriculum. During Unit 1 students will learn how to follow the listening rules which helps everyone learn. Empathy & respect which is a key component of being a great world changer.

P.E. News

For the month of September, all classes will be working on cooperative activities. The 5th grade will also take the PACER test. This is the running portion of the Fitnessgram fitness test.

Media Center News

I am loving seeing all of your children. We are still learning the expectations and procedures of the media center. In 2nd - 5th grade, we will work on how to find materials in the library. First grade will learn how to use shelf markers, and kindergarteners will talk about book care.

All classes except kindergarten will check out books the first time they come to visit the media center. Kindergarten will begin checking out in September.

Music

During the month of September all grade levels will be learning, exploring and creating beat and rhythm, through listening, movement and playing non-pitched instruments. 3rd grade will also have their 1st SLO test the week of 9th.

Art

Mrs. Maxwell

Students are continuing to become familiar with the rules which they helped to write. Friday classes did artworks based on the book *The Dot* by Peter H. Reynolds. Kindergarteners are doing a lesson on color. First graders are using lines, colors, and pattern in drawings. Third and fifth graders are making self portraits. Fourth grade classes are taking a pretest over the art elements.
