During the month of January Students will be learning from lessons 7 and 8; K5-More Feelings and Identifying Anger

1st-Looking For More Clues and Similarities and Differences

2nd-Feeling Confident and Respecting Different Perspectives

3rd-Conflicting Feelings and Accepting Differences

4th-Conversations and Compliments Joining In

5th-Disagreeing Respectfully and Responding with Compassion

P.E. News

For the month of January, all grade levels will work on the overhand throw, and play games using that skill. We will also concentrate on physical fitness activities.

Please remember, tennis shoes are required to participate in PE. Please make sure you wear your tennis shoes on your PE day.

Music

The Focus for January is on Instruments. Students will be learning about the 4 different instrument families and will be learning to play some percussion instruments.

Media Center News

How do you inquire?

- Discovering Curiosities
- Where can find answers to your questions?
- What resources do you have at school?
- What resources do you have at home?
- What can we access from the public library?

January Library
