

Community Involvement for the 2019-2020 School Year

- ❖ Students and faculty raised \$1761.08 for the United Way Campaign.
- ❖ Students collected canned food items for the Good Neighbor Cupboard.
- ❖ Students raised awareness for the March of Dimes by raising \$516.09
- ❖ The annual Relay for Life campaign is currently underway. Students and teachers are raising funds to support a cure for cancer. Last year \$3458.55 was raised. Whitehall was hoping to exceed last year's amount during this year's campaign efforts; however this year's campaign ended abruptly due to the COVID-19 Pandemic.

Technology Integration

Every student in Kindergarten through 5th Grade will be assigned a Chromebook each year. Our K4 classrooms have iPads and Chromebooks for students to use.

Students work on assignments in Google Classroom and use technology to practice skills, read books, conduct research, create projects, communicate, and take a variety of assessments that monitor student progress.

In addition, our K4 students use the computer lab to access programs such as IStation as a whole class.

Students work on assignments in Google Classroom and use technology to practice skills, read books, conduct research, create projects, communicate, and take a variety of assessments that monitor student progress.
