MCCANTS MIDDLE SCHOOL, AN ANDERSON TRADITION SINCE 1935

ISSUE #35

Dear Parents,

This week is our week of state testing. All grades will be testing each day, Tuesday-Friday. Tuesday will be ELA, part 1. Wednesday will be ELA, part 2. Thursday will be Math. Friday will be Science in 6th and 8th grade, and Social Studies in 7th grade. Please have your student at school each day by 8:10 after a good eight hours of sleep. Students may get breakfast in the cafeteria until 7:50! Every day we will limit all interruptions to the classrooms. Once your student is here, we cannot remove them from the testing situation until midday.

STUDENTS WILL BE ASKED TO TURN IN ALL ELECTRONICS! Cell phones will be placed in a basket to secure along with Apple Watches or any device that can be used to connect online. All students have been notified of this!

Please impress on your student that this assessment does have bearing on their future. We look at the scores as they come in over the summer to change placements for next year and for T. L. Hanna to consider for the beginning of their high school careers.

Thank you for sharing your student with us. If we can assist in anyway, please do not hesitate to let us know.

Kelly Elrod

Principal

Save the Date

Coming! Last day to purchase is
5/21

Signing on 6/4

2017/18 AWARDS NIGHT

Calhoun Academy of the Arts Auditorium

June 5th @ 6:30

You will be invited if your student will be recognized!

IMPORTANT 6th GRADE **PARENTS**

6th grade students must have the T-dap immunization before starting 7th grade. If your child has not yet had the T-dap immunization, please go ahead and contact your health care provider or health department for an appointment.

Unless requested by you, the health department or doctor's office will not routinely fax a copy of the immunization record to the school. It is the parent's responsibility to make sure the school receives an updated copy of your child's immunization record. If your 6th grader has already had this immunization, please make sure the school nurse has received an updated immunization record. If you have questions about your child's immunization status, please contact the Jill Chudyk, RN at 260-5145.
