MCCANTS MIDDLE SCHOOL, AN ANDERSON TRADITION SINCE 1935

ISSUE #37

Dear Parents,

The final days are coming quickly. In this newsletter, you will find the schedule for the last 3 days of school. We will be announcing these to students each morning but we want to remind you that June 6th-8th will be half days with an 11:45 dismissal.

Don't forget to enjoy the day remembering those who have fought for our country on Monday, May 28th as we celebrate Memorial Day! There is no school! What a great precursor to summer!

As this is the last official newsletter of this school year, I want to personally thank you for an outstanding first year for myself at McCants Middle School. I've enjoyed getting to know so many fascinating students, families and our school community. I look forward to what is to come next year as a Yellow Jacket! I wish much success to those moving on from McCants next year!

Sincerely,

Kelly P. Elrod, Ed.S.

Principal

If your student has medication in the Health Room at school it must be picked up by a parent or guardian before Friday, June 8 at 11:45. For safety reasons, we do not send medication home with students. If your child's medication is not picked up, District policy states that it will be destroyed. We do not store any medication at the school over the summer. If you have questions about this please call Jill Chudyk, RN at 260-5145, option 4.

Due to renovations around our campus, our school office will not be open from June 14th – July 13th. Summer hours will be in effect until school resumes in August. If you need assistance, you can email kellyelrod@anderson5.net.

IMPORTANT 6th GRADE PARENTS

6th grade students must have the T-dap immunization before starting 7th grade. If your child has not yet had the T-dap immunization, please go ahead and contact your health care provider or health department for an appointment.

Unless requested by you, the health department or doctor's office will not routinely fax a copy of the immunization record to the school. It is the parent's responsibility to make sure the school receives an updated copy of your child's immunization record. If your 6th grader has already had this immunization, please make sure the school nurse has received an updated immunization record. If you have questions about your child's immunization status, please contact the Jill Chudyk, RN at 260-5145.
