

McCants Middle School Counseling and Guidance Services

Anderson School District 5 will be participating in eLearning for students effective March 16th through April 30, 2020.

This closing is to adhere to the state's recommendations for social distancing. During this time Anderson School District 5 will be operating via an online format.

What does this mean for school counseling services?

With this in mind, our School Counselors at McCants Middle School will hold office hours from Monday - Thursday 8:30-11:30 am and on Friday from 8:30 to 11:30am EMAIL ONLY. This means that your child's School Counselor will be available to respond to questions and provide assistance during the times stated above.

PLEASE NOTE THE FOLLOWING IMPORTANT INFORMATION

If at ANY TIME you or someone you know is in crisis, or if you have any concern for the safety of yourself or someone else, **CALL 9-1-1 IMMEDIATELY**. Police officers are trained to conduct wellness visits and have the resources to connect individuals in need with appropriate services. Additionally, please find the community mental health resources listed below.
