

Dress Code for T.L. Hanna Prom

Formal attire may be classified as a tuxedo/dress suit or formal dress/cocktail dress.

A tuxedo/dress suit includes a jacket, tie, collared shirt, and may include a vest. Shirts are to be worn at all times. Students may not remove shirts during the prom. Dress shoes must be worn. Tennis shoes are unacceptable - make sure your shoes have non-marking soles.

Formal dresses may be strapless or include spaghetti straps. Bare or open backs are acceptable; however, students should not wear dresses with excessively low backs extending beyond the hips. Bare abdomens or bare midriffs are not permitted. Two piece dresses that expose the midriff and dresses that have cutouts that expose the midriff are not allowed. Sheer/see-through fabric over a bare abdomen or midriff is not acceptable. Undergarments should not be visible. See-through apparel that shows areas above mid-thigh and dresses with slits that are above the mid-thigh are not permitted. Garments that are excessively tight or low-cut in front are also not acceptable. All garments should reach at least mid-thigh.
