PRESENCE ON SCHOOL GROUNDS

It is unlawful for any non-student (one not enrolled at this school) to be present without approval of the principal. Students suspended or expelled are not to be on school premises without prior approval of the principal. Such violations are considered trespassing.

SOLICITATIONS AND ADVERTISING

Solicitations and advertising are not allowed on the campus without express permission from the principal, except those of school-sponsored functions.

CAMPUS SAFETY

Individuals entering school buildings and facilities as visitors must report to the front office. If individuals are entering the building beyond the front office, you may be required to submit your drivers' licenses to the security system. During school events, individuals may be asked to submit to metal detector search procedures to ensure that weapons and other dangerous objects are not brought into buildings and facilities. This is in accordance with Anderson School District Five Policy, JCAC.

In addition, for the safety of others at all athletic events, students may not run onto any athletic field after a South Carolina High School League contest (at home or away). Students also may not have any fireworks or other type of smoke devices on school grounds and/or at athletic events at home or away. Students should enter the school building through the front doors unless otherwise instructed to do so. It is forbidden to prop doors open or hold doors open (other than the outside front doors) for other people.

USE OF METAL DETECTORS AND DRUG DOGS

When the administration has reasonable cause to believe that weapons are in the possession of identified or unidentified students, when there has been a pattern of weapons found at school, or when violence involving weapons has occurred at the school, the administration is authorized to use handheld, stationary and/or mobile metal detectors in accordance with procedures developed by the administration in conjunction with legal counsel. Any search of a student or individual's person as a result of the activation of the detector will be conducted in private in accordance with the procedures.

The District's express intention for this policy is to enhance security by preventing students and/or individuals from bringing weapons or other dangerous objects into the schools. Any student who violates the provision of the Student Code of Conduct, which provides that a student may not possess, use, or transfer dangerous weapons, will be disciplined in accordance with district policy. **Periodically, TLH will have drug dogs search the school and parking areas for drugs. These searches will be unannounced.**

ATTENDANCE ZONES

Students must attend the school located in the zone where their parents/guardians reside. Students who change residence during the school year must immediately notify the Guidance Office. **Enrollment for new or returning students is temporary until all records are received.** When a special education student transfers from this school to a school outside of Anderson

School District Five, the Director of Special Education/designee will send a copy of the student's special education information to the receiving school. This procedure will facilitate the exchange of records between school districts and prevent delays in the provision of free and appropriate public education (FAPE).

Any student moving out of the district during the year must withdraw and attend school in his/her new place of residence. Each year some students from other school districts apply to Anderson School District Five for out-of-district permission to attend T.L. Hanna. The amount of out-of-district tuition is set each year by the Anderson District Five Board of Trustees.

ZONE EXEMPTIONS

Any student on a zone exemption must apply yearly. Students on zone exemptions must adhere to the following: (1) passing all classes: (2) owe no fees (including cafeteria, parking, etc.); (3) have no disciplinary referrals: and (4) have good attendance. Students with more than five absences per semester will be reviewed to determine if the student remains at T.L. Hanna High School.

STUDENT ENROLLMENT

Students are enrolled in Anderson School District Five on a probationary basis. When records are received, the school administration may take action to withdraw a student who has been expelled, disciplined for conduct which could cause him/her to be expelled or adjudicated as delinquent for a violent crime in any jurisdiction, the unlawful use or possession of weapons, or the unlawful sale or use of drugs. Serious offenses committed outside of school can result in student expulsion from school. Expungement of expulsions from school records is possible if students maintain exemplary discipline after returning to TLH from expulsion. Students/parents should contact an administrator for expungement details.

STUDENT WITHDRAWAL PROCESS

1. Parent/guardian needs to complete withdrawal form in guidance.
2. Parent/Student need to return the following to guidance: Chromebook with charger, textbooks, satisfy all fees including media center, cafeteria, and bookkeeper.

HIGH SCHOOL GRADING POLICIES

Grading policy for all high school courses for 2020-2021:

- 60% Major assessments
- 20% Minor assessments
- 10% Daily grades
- 10% Exam

If the course has a state EOC, the grading policy for the final nine weeks will be:

- 70% Major assessments
- 20% Minor assessments
- 10% Daily grades

With the exception of the exam category, all grading categories should contain a minimum of four grades each nine weeks.

Retakes:

- Students may retake any major assessment one time.
- The student must show that he/she has completed all of the daily assignments associated with that unit, as well as any remediation by the teacher.
- The teacher should change the assessment in some way.
- The highest score will count.
- Students have 5 days from the date that the major assessment grade is entered in PowerSchool to make arrangements for the retake.

Students may not wait until the end of the grading period to retake multiple major assessments.

Exam Exemptions:

Students may exempt final exams (at the end of the course) if they have an average of 90 and above. Attendance no longer affects exam exemption for the 2020-2021 school year.

*Any student not present during their final exam (second semester) will receive a zero on their final and be required to take their exam during the summer.

ATTENDANCE REGULATIONS

A student must meet the state and district requirements for school attendance and earn a passing grade of 60 or above to receive credit for a course. Regular attendance is necessary for academic progress to be made. The allowed number of absences includes both excused and unexcused absences. Students receiving units of credit in high school do so when they receive a passing average in each class **AND** fulfill the attendance requirements according to state law. If a student does not meet the requirement for attendance, but receives a passing grade, the student will receive an **FA (Failure Due to Excessive Absences)** for the course until they make up the additional time in Saturday/Summer School. The fee is \$5.00 per hour/day missed.

Attendance Requirements for Earning High School Credit

It is the responsibility of the student and parent to make sure the student stays within the state and district attendance guidelines by using the PowerSchool Parent Portal and keeping all notes regarding absences current. A student receiving high school credit must be present in each class as follows:

- Student must attend **42** of each 45-day course
- Student must attend **85** of each 90-day course
- Student must attend **170** of each 180-day course

Attendance is kept in each individual class.

Absences are classified as lawful and unlawful. The following are considered **lawful absences**:

- Illness;
- death or serious illness in immediate family;
- doctor's appointment (with beginning and ending of time of the appointment verified in writing by the doctor or dentist upon return of the student to school);
- recognized religious holidays; and
- activation or deployment of immediate family members or Military Entrance Processing Stations (MEPS).

The following are considered **unlawful absences**:

- willful absence from school without the knowledge of the parents/guardians, and
- absence from school without acceptable cause with the knowledge of the parents/guardians.

Students are required to bring and/or parents/guardians are required to send written excuses on the first day back to school after an absence. If an excuse is not provided to the school **within 10 days after an absence**, the absence becomes permanently unexcused. If a student attends fewer than 85 days in a semester course or fewer than 170 days in a yearly course, a statement from a medical doctor must be provided to the principal. It is the responsibility of the parent to stay in touch with school officials concerning absenteeism. This excuse should be dropped off in the front office for the attendance clerk and should contain the following information:

- student's name
- date(s) of the absence(s) and date of the excuse
- reason for the absence(s)
- parent or guardian's signature
- telephone number where parent or guardian can be reached.

Consequences for Unlawful Absences

The law requires school districts to develop an Attendance Intervention Plan after five unlawful absences. This plan requires contacting the parents to determine the cause(s) of the absences and developing a plan for improved attendance. After the fifth unlawful absence, students will be referred to the county attendance officer.

Failure for Attendance (FA)

Credit will be denied for students who accumulate more than three (3) unexcused absences for a 45-day class, five (5) unexcused absences for a semester class (90 days), or ten (10) unexcused absences for a year-long class (180 days). Failure due to attendance will result in a grade 59 (F). Please note that this applies to each class individually; therefore, missing only part of a day is preferable to missing an entire day.

After the fifth (5) absence in a semester class or tenth (10) absence in a year-long class, the student will be required to make-up the instructional time. Attendance recovery is a privilege that may be eliminated at any time by the administration.

Attendance recovery will be offered using the following schedule and guidelines:

- An hour of attendance recovery will equal one class period missed.
- Saturday School, Teacher Professional Development Days, or Summer School will be used for attendance recovery.
- The cost will be \$5 per hour.
- Students must be on time and will be dismissed for misbehavior.
- The fee is non-refundable.
- All school rules will be adhered to including the school's dress code and electronics' policy.

Principals are authorized to grant credit to students with additional absences provided the

absences meet the criteria of lawful absences in this policy, when there appear to be extenuating circumstances.

Missing 30 minutes or more of instructional time is equivalent to missing one block of instruction. This includes tardies to school/class or being dismissed early from a class.

Class absences due to participation in a school-sponsored activity shall not be counted for purposes of receiving credit. However, students with accumulated class absences at or above the limits for receiving credit shall not be excused from class to participate in school-sponsored activities.

MAKE-UP WORK

It will be the student's responsibility to make up missed work within a reasonable length of time as specified by the teacher. Failure to make up missed work can lower a student's average and may lead to loss of credit.

CREDIT RECOVERY (SUMMER SCHOOL, FAST TRACK)

Students must have previously failed a *course* to be eligible for credit recovery. Participation in credit recovery will not affect a student's GPA. Should a student wish to modify his/her GPA, he/she should repeat the full course for credit and not seek participation in the credit recovery program.

Eligibility

Students are eligible for a credit recovery course if they have previously taken and failed an initial credit course. Students must have obtained a grade of 50% or higher in the initial credit course, or the student is not eligible for credit recovery and must retake the full course to receive credit. Students who have already received credit for a course are ineligible to participate in credit recovery to improve their final grade.

Students will be required to complete an application to request placement in a credit recovery course. Consent of the student's parent/legal guardian must be obtained prior to enrollment.

DISMISSALS

WE DO NOT DISMISS STUDENTS FROM THE OFFICE AFTER 3:15 EXCEPT FOR EMERGENCIES GRANTED BY THE ADMINISTRATION. All doctor, dentist, physical therapy and all other medical appointments should be scheduled during the summer, fall break, winter break, spring break, or after school. We do not want to interrupt valuable instructional time.

All students are prohibited from leaving school grounds during school hours without permission from parents **and** the front office. Students may not sign themselves out of school. Students taking courses at Anderson Institute of Technology, Southwood Academy of the Arts, or college campuses may leave during their designated travel times.

STUDENTS CAN ONLY BE CHECKED OUT VIA PARENT PICK-UP OR EARLY DISMISSAL NOTE. If the student is using the Early Dismissal Note, the student should bring this signed form to the office BEFORE school. The student will be given a pass at that time. The parent listed on the form may be contacted for verification. This procedure is not only for the safety of our students but it limits classroom interruptions.

Students who ride a bus must remain in fourth block until called. Students who are drivers or car riders must exit the building by 3:44, unless attending Power Hour or a designated school activity.

SENIOR LATE ARRIVAL / EARLY DISMISSAL

Late arrival or early dismissal is a privilege for seniors who do not need 8 credits to graduate. If students are scheduled to arrive late or leave early, transportation must be arranged independently. Students who are not scheduled to attend a class during first or fourth block will not be allowed to remain unsupervised on campus during this time. ***They must exit campus within 10 minutes (for early dismissal) and arrive no sooner than the advisory period (for late arrival).*** If students are found unsupervised, disciplinary consequences may be given, and they will be scheduled a class during that time.

IDENTIFICATION BADGES

Students are required to possess identification badges on school grounds. One ID badge is given to each student free of charge. Students may purchase additional badges for \$5 and one day temporary IDs for \$1. The ID should not be defaced and it should reflect the current school year on the front. Students are not permitted to use other students' IDs. Students should be able to present an ID upon request. **Students desiring to purchase a meal must present their identification badge. Failure to do so will require the student to acquire a new badge before purchasing a meal.**

LOCKERS

Lockers are provided for the convenience of the students. Lockers are the property of the school district, and students are allowed to use them temporarily for convenience. Lockers are not private storage spaces. School lockers will be subject to unannounced searches by school personnel for safety reasons. Lockers should be kept locked to prevent theft. Combinations should be given to no one, and lockers should not be shared. Students should not attempt to force lockers open or closed. Students should seek the help of an assistant principal if assistance is needed. Neither food nor drinks should be stored in lockers.

LUNCH

Because lunch is provided on campus, students are prohibited from leaving during lunch time for the purpose of eating lunch. Once a student arrives on school grounds, he/she is not permitted to leave school grounds before the end of the school day without permission from the office, unless he/she is traveling to another campus for a class.

Students are not permitted to have lunch delivered by an outside vendor or delivery service.

Parents are NOT allowed to deliver food to the school for their student. **All water bottles must be in a screw top bottle (no fountain drinks are allowed on campus).** No outside food/drink is allowed on campus.

CELL PHONES/ELECTRONIC DEVICES

- Cellphones and earbuds/headphones may be used during breakfast and lunch.
- Students may use cellphones and headphones during class change, but they are expected to acknowledge and respond to any adult questions/directives.
- Cellphones and earbuds/headphones may be used in the classroom only with teacher permission.
- If cellphones and earbuds/headphones are used at unauthorized times, they may be confiscated.
- Students who use cell phones/earbuds/smart watches to cheat, disrupt/interfere with other electronic devices, take pictures inappropriately, etc. will be disciplined appropriately.

2020-2021 HIGH SCHOOL ENFORCEMENT

CELL PHONE VIOLATION	CONSEQUENCE
1 st Offense School Year	Return to student at end of day
2 nd Offense School Year	Hold 1 school day – Parent pick up at 3:40 to 4
3 rd Offense School Year	Full Day ISS student pick up at 3:40
4 th Offense School Year	2 Full Days ISS student pick up at 3:40
5 th Offense School Year	1 Day OSS student pick up at 3:40

Any student who has their cell phone stolen will be directed to the School Resource Officer. It is imperative that students watch their belongings. Students may be prosecuted for stealing as well as school disciplinary actions enforced according to the Student Code of Conduct.

HALL PASSES

A student is not permitted in the halls during class periods unless he/she is accompanied by a teacher or has an official hall pass from an authorized staff member. Students will be considered tardy, absent, or out of area if they do not have a teacher's permission to be out of class and will be subject to disciplinary action.

DRESS CODE POLICY

Purpose: To promote generally accepted standards of decency, decorum, health, safety, and cleanliness among the students in the schools of Anderson School District Five.

Anderson School District Five students are expected to observe the basic standards of cleanliness and good grooming and dress in such a way not to distract or cause disruption in the educational program or orderly operation of the school. Personal appearance of students should promote health and safety, contribute to a climate conducive to teaching and learning, and project a positive image of the district to the community.

This code is designed as a guide and is by no means all-inclusive. An item of dress, article of clothing, or accessory should not be deemed "approved" simply because it is not listed herein. In addition, the administration reserves the right to address inappropriate clothing on an individual basis in all grades.

Items that can be worn:

1. Pants, shorts, and skirts that are worn at the waist
2. Dresses, skirts, shorts, or pants that show no visible skin above the knee—Clothing should not touch the floor and should be worn at the proper waist level. Exceptions to length of shorts may be made for physical education, Special Olympics, field days, etc.
3. Clothing that fits the wearer appropriately, covers all types of underclothing, and is designed for wear outside the home

Should you have any questions when reviewing the Student Code of Conduct, please contact your child's school principal. You may access an electronic copy of the Student Code of Conduct on the Anderson Five website at www.Anderson5.net.
