WELCOME BACK! Monday, August 19, 2019

Dear Parent/Guardians,

I am excited about the opportunity to teach your child and explore history together! I look forward to getting to know you and your child throughout the school year. Here are a few things you need to know in order for all of us to have a great school year.

CLASSROOM PROCEDURES

Students are expected to:

1. Bring to class all needed materials (earbuds are key) and be organized. Organization is essential for success!
2. Be on time, in your seat, and working on

the daily bellringer by the time the bell rings.

3. Get permission to leave class and always have a pass.
4. Be responsible and complete **ALL** work on time, including missed work when absent. Students should get makeup work from me and complete in a timely manner.
5. Check your grades in Power School. Ask if you need help. Your grade is a reflection of you and your effort.
6. Work well with others in group activities.
7. Be willing and ready to participate!!! Student

involvement is essential for success!

8. Always bring your Chromebook to class charged and use the Internet appropriately!

If you have any questions, comments, or concerns, please feel free to contact me by e-mail at the address at the top of this newsletter or call me at the school office, 716-4060.
