Child Find

All Children deserve a
chance to reach their
full potential.

Reaching Families with Children Who May Have Special Needs

Some children are born with physical and mental conditions that can interfere with their growth and development. Fortunately, many problems can be minimized or overcome if help is sought early. Child Find connects children from birth through age 21 with services tailored to the special needs of the individual.

We're Here to Help

If there appears to be a delay in any area of your child's development, you may seek assistance from Child Find. Even if a child is not yet school age, he or she may benefit from screening and evaluation. All needed screenings and evaluations are free of charge.

If any of these items below seems to apply to any child that you know, please call the central BabyNet office or your local school district to discuss your concerns.

- **Has difficulty turning over**
- **Has difficulty sitting-up alone**
- **Has difficulty crawling**
- **Often bumps into objects**
- **Does not respond to affection**
- **Does not talk**
- **Has limited vocabulary**
- **Cannot ride a tricycle or pedal toy**
- **Cannot feed self**
- **Does not respond to own name**
- **Does not say words clearly**
- **Does not play well with others**
- **Has poor balance or coordination**
- **Cannot name family members**
- **Does not follow simple commands**
- **Not successful in school**

- Free screenings
- Appropriate evaluations
 - Vision
 - Hearing
 - Speech
- Free services

The "Individuals with Disabilities Act" (Public Law 101-476) mandates that all disabled children ages 3-21:

- be provided a free, appropriate public education in the least restrictive environment; and
- have an Individualized Education Program (IEP) with assurance of procedural safeguards for parents and students
