

Anderson County School District Five

Social Computing Guidelines

1. Understand and follow the staff conduct policy GBEB
2. Understand and follow the technology related policies and procedures IFBGA and IFBGA-R.
3. Staff members are personally responsible for the content that is published on Twitter, blogs, or any other form of user-generated media.
4. Identify yourself by name and, when relevant, role within the School District. You must make it clear that you are speaking for yourself and not on behalf of the School or District when relevant.
5. Respect copyright and fair use laws.
6. Respect your audience and engage only in conduct that would be acceptable in the workplace.
7. Try to add value by providing worthwhile information and perspective.
