What is Algebra 1? Algebra 1 covers the basic algebraic principles and their applications. These principles will have a heavy focus on solving equations and expressions and applying the methods to different types of problems and real-life models. In SC, students must earn 4 math credits. You will not move to the next math course without passing Algebra 1 and this could affect your graduation year.		Topics Discussed: ∇ Foundations & Functions ∇ Solving Equations ∇ Solving Inequalities ∇ Linear Functions ∇ Systems of Equations & Inequalities ∇ Laws of Exponents & Radicals ∇ Polynomials ∇ Quadratic Functions ∇ Exponential Functions	
Daily Materials: <ul style="list-style-type: none"> ▪ Charged Chromebook ▪ 1" Binder ▪ Pencils—NO PENS on tests/quizzes ▪ Notebook Paper Suggestions: <ul style="list-style-type: none"> ▪ Ti-83 or Ti-84 Graphing Calculator ▪ Colored Pencils and/or markers ▪ Glue Stick and/or Tape ▪ Highlighter ▪ Ruler ▪ Graph Paper ▪ Dry Erase Markers <p>*We may have projects that will require future materials purchases</p>		Notebook and Folder ◆ You must have these EVERY DAY! Organization— Your notebook and folder must be kept in an orderly fashion. Notebook Checks— Notebook checks will be checked periodically using a google form compiled of questions created using the notes and practice. These may or may not be announced ahead of time, so you must be sure to always keep your notes up to date. Folder— Your folder will be used for all practice work and warm-ups. It will be provided for you.	
Classroom Expectations 1. Be responsible by following instructions, participating in class, and completing all assignments. 2. Be respectful to your fellow classmates, administrators, teachers, and school property. 3. Be resourceful by bringing materials and asking questions when needed. 4. Be reasonable when asking questions and working with others.		Consequences These are school-wide consequences for disrupting class: 1 st : Warning 2 nd : Parent Contact/Detention 3 rd : Referral/Classroom Removal Major offenses (Limits) will result in an automatic referral to the Administrator.	
WHS Grading Policy 70% - Major (Tests/Projects) 20% - Minor (Quizzes/Classwork) 10% - Daily (Homework/Participation) **20% of your overall FINAL grade will come from the EOC (January 6) Late assignments WILL be accepted and graded according to the WHS grading policy.		What to Expect At least 4 tests/projects per quarter At least 1 quiz per unit At least 4 minor grades per quarter. At least 4 daily grade each nine weeks. Retakes WILL be accepted and graded according to the WHS grading policy, and should be completed in a timely manner.	
		Classroom Procedures Beginning of Class— Enter the room quietly, place HW on your desk, and begin the warm-up. You must be in your seat when the bell rings, or you are tardy. Restroom— Restroom must be used between classes and at lunch. Make-Up Work— It is your responsibility to get the material you have missed and to turn in work due while absent. You must also see the teacher to schedule a makeup quiz or test.	
		Other Notes Quizzes and test MUST be completed in one sitting within the specified time. Quizzes may be unannounced. Tests WILL be announced in advance. Tests may contain material from past units, so always be prepared. You MUST complete all notes and test corrections before retaking a test. NO WORK = NO CREDIT
