

Meet Miss Adragna

Hello!

My name is Karleigh Adragna and I am so excited to be your child's fourth grade teacher this year! Things may be different this year, but it will be the best year!

All About Me!

I graduated from Anderson University this year with my degree in Elementary Education. This year will be my first year teaching and I can't wait to spend this year your child. I have lived in Anderson County all of my life, so I am a lifelong resident of the upstate.

Keep in Touch!

Thank you for allowing me to be an important part of your child's life. I am here at school to help each child succeed and I can't wait to watch your child "Soar to Success" in my class. I believe that we are partners in this journey of education and will do my best to keep our lines of communication open and frequent. Please feel free to contact me at karleighadragna@anderson5.net or call me at the school (864) 716-3600 to ask questions, share concerns, or set up a conference. You can also write me a note in your child's agenda, and I will reply as quickly as possible. I look forward to working together to make fourth grade a successful year for you and your child!

Adragna's Faves

Some of my favorite activities are exercising, spending time with my family and friends, and vacationing. I love dogs, coffee, chocolate, Chick Fil A, and the Clemson tigers!
