

## New Faces of Midway Elementary

Hey there, Midway! My name is Riley Frady (soon to be Householder). I am so excited to be teaching 5th grade next school year! I have lived in Anderson, SC my whole life. I am so blessed to be able to give back to the community that made me who I am today. I recently graduated from Clemson University with a bachelor's degree in Elementary Education with an emphasis in Cultural Diversity and Literacy. During my time at Clemson, I was able to complete my practicum and student teaching at Midway in 2nd and 5th grade. I absolutely love this school. Teaching is my passion, so I spend a lot of my time planning and researching innovative ways to implement content into my classroom. I also love to spend my time outside by the water and with my family. I cannot wait for my first year of teaching. I

look forward to a year of learning and growth! See you soon! -Miss Frady

Hi! My name is Sarah Cordell, and I'm excited to be joining the 3rd grade team at Midway next year! I grew up in Clemson and graduated from Clemson University with a degree in Psychology. After graduation, I moved to Charleston where I received my Master's degree in Early Childhood Education from the College of Charleston. For the past six years I've taught first and second grade in Anderson 5. My favorite subject to teach is reading because I love seeing my students get excited about books. In my free time I enjoy spending time with my friends and family, being outside, and cheering for the Tigers!

Pam DeCaprio, servant, wife, mother, chaos coordinator, and professional school counselor. Bringing 17 years of experience working with children and adolescents in various clinical and educational settings to the Midway team. When not working, enjoys serving as a couples' ministry group leader alongside her husband, traveling, playing video games with her sons, and all things Star Wars.

#### Amanda Eubanks bio

Hello, I'm Amanda! I am so eager to begin my journey with you all at Midway! This will be my 9th year as a Speech-Language Pathologist, and throughout my time, I have done a bit of everything. After graduating from Florida State University in 2012, I have worked across the age span and in many different settings. I returned to the school setting in 2018 and haven't looked back.

Being in the schools has afforded me much more time to spend with my kids, Afton

(almost 4) and Wilder (1). As a family, we love camping, swimming, movie parties, and generally being together. I enjoy gardening, crocheting, and reading. My family and I have lived all over the Southeast, from Sarasota, Florida to Georgia and Alabama, but we have really fallen in love with the Anderson area and plan to raise our family here.

Professionally, my passion is Assistive and Augmentative Communication (AAC). I love working with assistive technology to help give students a voice who may otherwise not have one. I so look forward to working and growing with you all at Midway!

My name is Brooke Worley and I'm so excited to be a part of Midway! This is my first year as a teacher and I am so excited to start my career at such a special place. I graduated in 2020 from Clemson University with an undergraduate degree in Elementary Education with an emphasis in Math/Science. This past year I co-taught 5th grade in Greenville County and earned my Master of Arts in Teaching. I have been lucky to be able to experience Midway earlier than expected as I have taken on the role of Math Interventionist for 2nd and 3rd grade students for the rest of the 2020-2021 school year. I am so happy to be a part of the Midway family and I am looking forward to helping my sweet fifth graders learn and grow next year!

Hello everyone! My name is LaWante' Rainey (I will be LaWante' White by the time the 2021-2022 school year begins!) and I will be a new school counselor here at Midway Elementary School. I am super excited about joining the school counseling team at Midway! I recently received my Masters from Liberty University and previously received my Bachelors from the University of South Carolina.

I am coming from six years as a Community Support Specialist providing support services to children and their families at the non-profit level. I was born and raised in Anderson, SC and currently live in Greenville, SC. In my free time I enjoy traveling, painting, reading, and spending time with family/friends.

I greatly appreciate the opportunity to continue working with children as it is one of my greatest passions! I look forward to meeting and working with you all. Please feel free to contact me with any questions or concerns!
