

Summer Reading 2014

Saints at the River

by Ron Rash

English II Honors

These assignments must be completed and turned in by the first day of your English class. You will participate in a Socratic discussion as well as have a test on the novel during the first week.

Read the novels and complete the reading log as formatted on the back of this flyer (one log for each chapter for each book). **If a student registers after the first day of class, he or she will still be responsible for these assignments. For late registrants, it must be completed within the first nine weeks.**
